

Certificate of Participation

Dr. Carlos Emiliano Mora Carrera

has successfully participated in the course

Facilitating collaborative innovation

08.05.2025

22.05.2025

at the University of Zurich, Graduate Campus

Instructor: Dr. Silvia Maier

Course objectives

Participants learn to facilitate innovation processes so that they generate mutual understanding and alignment between collaboration partners, create a base for learning together, and iteratively improve and refine research and development approaches and results.

Zürich, 22.05.2025

Dr. Claudine Leysinger
